Generosity

# \$EDEN COIN

Eden Coin is the 1st stable coin in the world , backed by the value created from good actions and individual contribution to society , rather than other currencies or resources.

The Eden New Money will also serve as :

\$– A basic wealth account for ALL individuals up to 1 million Eden \$.

\$– The currency that will serve to pay back the indigenous and colonized nations of the world to rebalance the global economy

\$– The currency to properly compensate all : NGOs, activists, Non profits etc...

**THROUGH :**

- PERSONAL ACCOUNTS
- COMMUNITY ACCOUNTS

**BEHITVE**  
**model**

Building small virtual and physical autonomous and sustainable communities in  
a beehive model.

## Each beehive containing

10 households

1 medical doctor

1 architect + builders

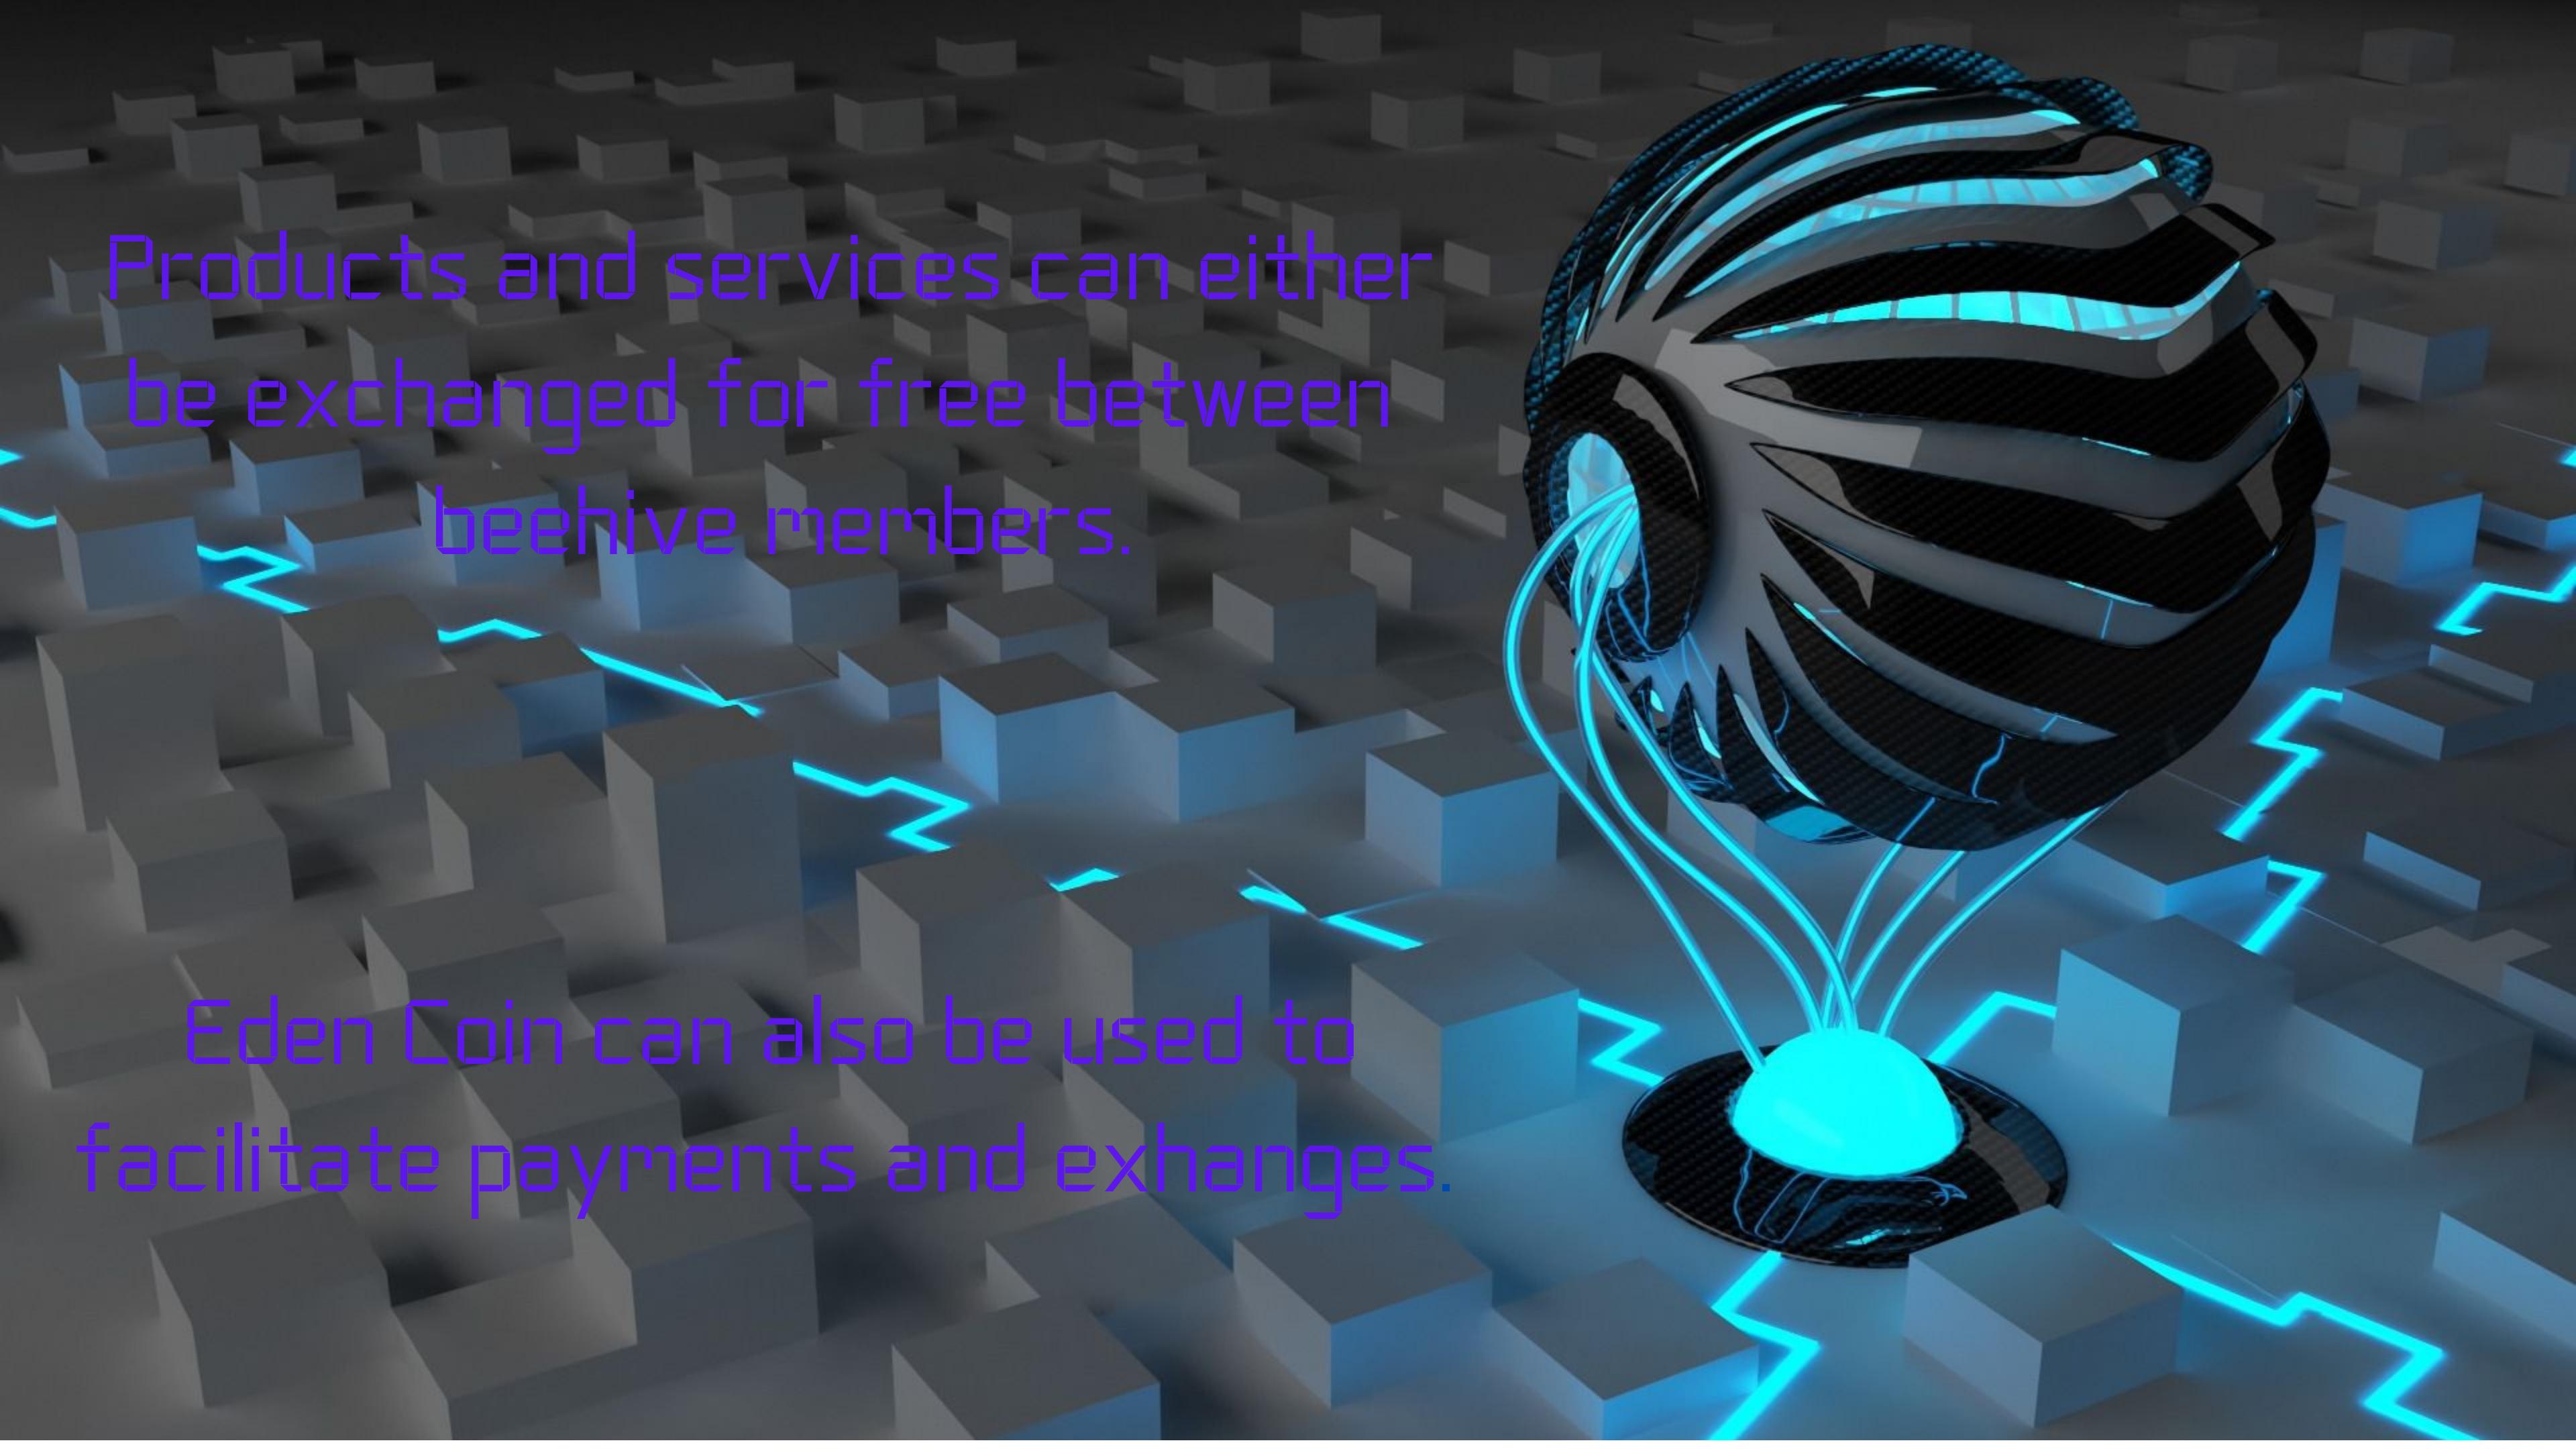

1 clean energy company

1 satellite internet company

1 computer technician

1 farmer

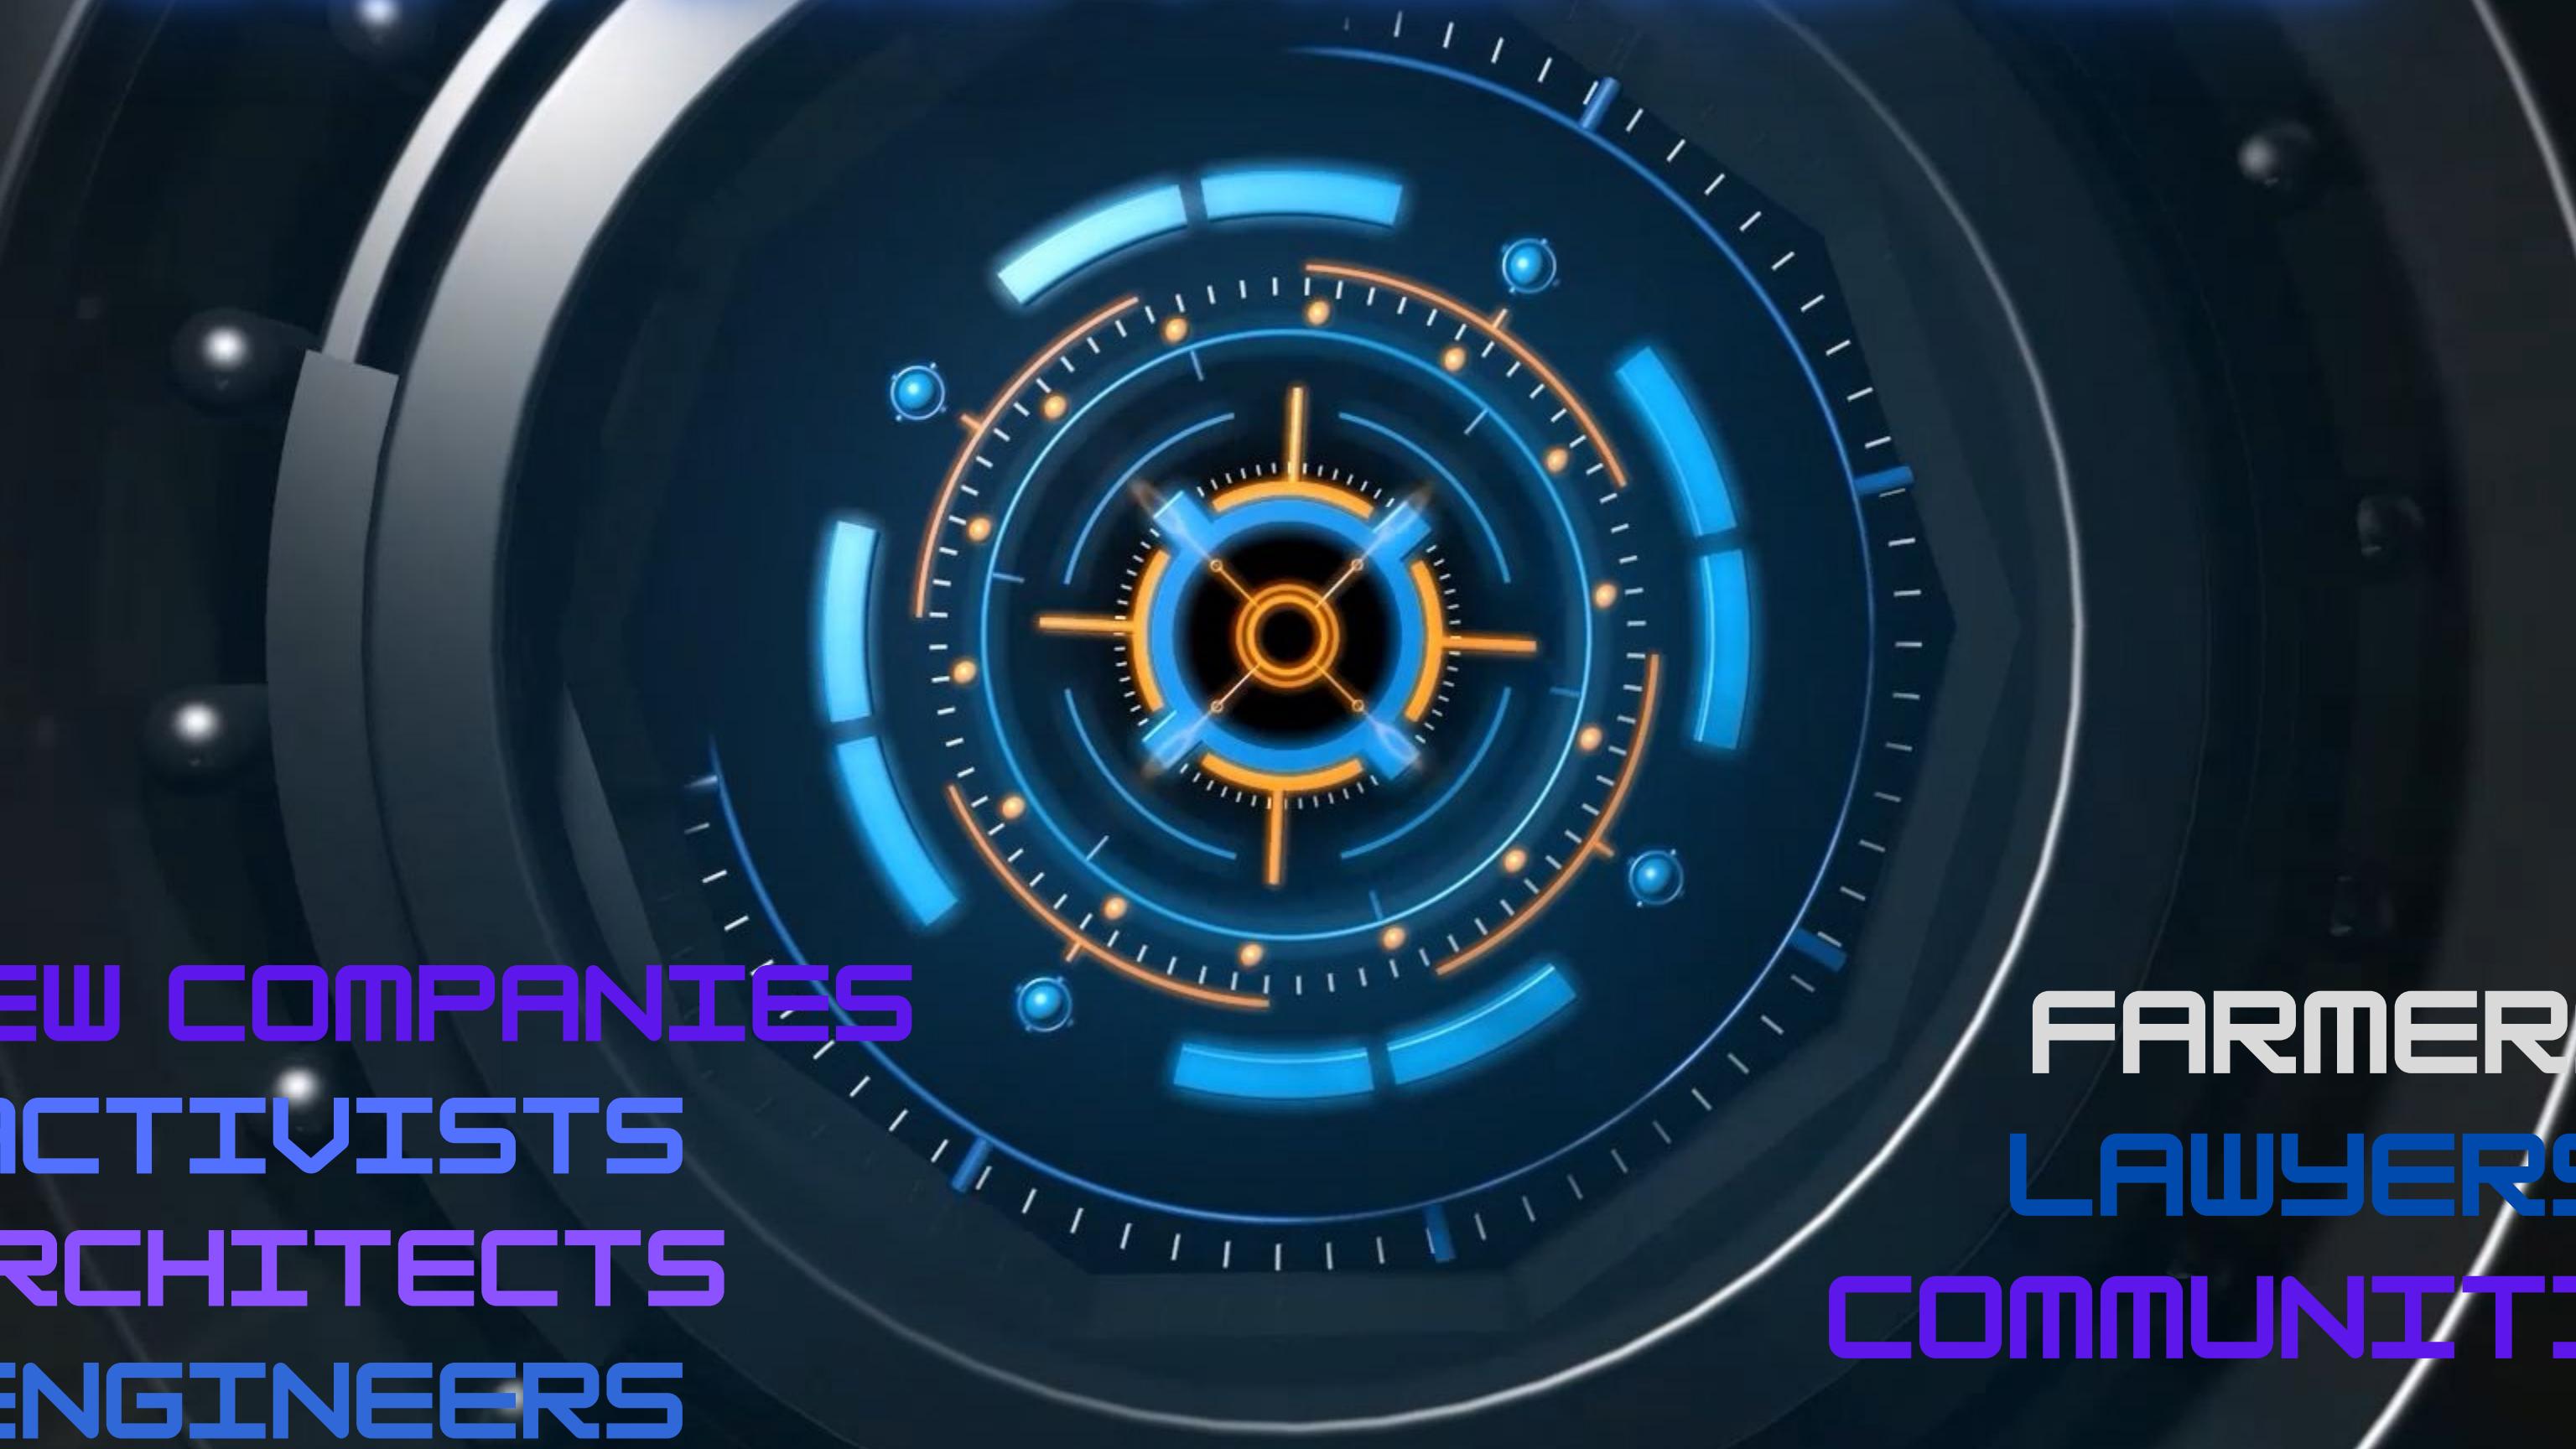

1 school teacher

Products and services can either  
be exchanged for free between  
beehive members.

Eden Coin can also be used to  
facilitate payments and exchanges.
